Skin Care

Basic Facial is recommended to exfoliate and replenish vital moisture to maintain a healthy and radiant complexion. **\$70.00**

Intensive Facial is designed for mature, sun damaged or acne prone skin. Glycolic and Salicylic acid or a combination of both can be utilized in this advanced treatment. **\$80.00**

Antioxidant Facial incorporates a patented vitamin C formula to decrease the negative effects of stress, pollution and sun damage. Antioxidants protect the skin from free radical attack and cellular damage. **\$75.00**

Acne Facial is a clinical facial designed to reduce breakout, redness and scarring associated with acne prone skin. May be used on the face, back or chest. **\$65.00**

Microdermabrasion is an aggressive exfoliating treatment without the use of chemicals. The treatment smoothes the surface of the skin damaged from aging, sun and acne thus reducing fine lines, hyperpigmentation and scarring. **\$125.00. Series of 6 \$600.00**

Ultra Sound is used to intensify the penetration of hydrating, firming and anti inflammatory products. It also can be used after waxing to reduce redness. Add **\$15.00** of service cost.
